AMENDMENT

Sir:

Responding to the PTO Office Action, mailed December 17, 2004, please amend the above-identified Application as follows:

In the Claims

Please amend Claims 1 and 11, and cancel Claims 2 and 10, as follows:

1. (AMENDED) A modular patch antenna system comprising a first module and a second module, said first module comprising a first metal or metal-plated radiating layer, a second, middle dielectric layer, and a third metal or metal-plated ground layer, said second module comprising a frame that attaches to or fits onto the periphery of the first module, said frame
